The HomeCare & Hospice Volunteer

"...Volunteers are the heart of Hospice and come from every walk of life."

Join a Winning Team

Do you have a compassionate heart? Do you have as little as two hours a week to offer? If so, you could be a HomeCare & Hospice volunteer.

We offer volunteer opportunities in direct patient care, office work and special events. Whatever your interests, as a HomeCare & Hospice volunteer you will experience rewarding and meaningful opportunities.

The HomeCare & Hospice Guild

The Guild serves as a fundraising arm for HomeCare & Hospice. Each year, Guild members raise thousands of dollars for Hospice services through their Spring Bouquet Sale. Guild members also serve as volunteers for events such as the Tree of Life ceremonies, the Hospice Walk and the Home & Garden Show.

Patient Care Volunteers

Patient care volunteers constitute the largest segment of our volunteer groups. Individuals in this category visit home to socialize with patients and families, as well as provide respite to caregivers.

The exact duties of a patient volunteer depend greatly on the family's needs.

A volunteer can be an important asset... as a listener - a very special friend who can cry, laugh, reminisce and provide support to patients and their families. Often patients who are reluctant to share their feelings and concerns with family or Hospice staff will open up to a volunteer.

Office Volunteers

Office workers provide an invaluable service. Volunteers perform duties such as filing, assisting with mass mailings, copying and other tasks, in any of our six offices.
